## REPORT OF THE CLERK

### Speed Indicator Device (SID)

We still remain without an indication on the timescales or outcome of this SID policy review. Lichfield District Council are aware of the situation. SCC have been provided with signed consent forms from residents, quote for a SID have been sourced for review.

### Historic Parish Minutes

The volumes of Parish Council minutes have been transferred to the County Archive for safe storage and public access. Minutes held by the council dated back to the 1990's.

### Local Council Award Scheme

Our application received a few queries, and additional information has been provided, such as the BKVC. It has now been passed for assessment by the panel.

### Year End Audit / AGAR

The year end audit was completed, and no issues have been identified, the report is for approval at the meeting, along with the completed AGAR.

### Public Footpath from the A4091 (Opposite Salts Lane) to Drayton Brick Bridge and Access to Canal Towpath, Drayton Bassett

The County Council has emailed the Parish Council to say that based on the landowner submission, they will recommend refusal of the application for the addition of a Public Footpath from the A4091 (Opposite Salts Lane) to Drayton Brick Bridge and Access to Canal Towpath, Drayton Bassett. It's before the relevant committee in Stafford on 12<sup>th</sup> June.
